Is your institution a member of an HEA Title II Teacher Quality Partnership (TQP) grant awarded by the U.S. Department of Education?
(<http://www2.ed.gov/about/offices/list/oii/tqp/index.html>)

No

If yes, provide the following:

- Award year:
- Grantee name:
- Project name:
- Grant number:
- List partner districts/LEAs:
- List other partners:
- Project Type:

Section I.a Program Information

List each teacher preparation program included in your traditional route. Indicate if your program or programs participate in a Teacher Quality Partnership Grant awarded by the U.S. Department of Education as described at <http://www2.ed.gov/about/offices/list/oii/tqp/index.html>.

Section I.b Admissions

Indicate when students are formally admitted into your initial teacher certification program:
Postgraduate

Does your initial teacher certification program conditionally admit students?
No

Provide a link to your website where additional information about admissions requirements can be found:
www.ciu.edu

Please provide any additional comments about or exceptions to the admissions information provided above:

The program does not admit students "conditionally" in respect to questions about prior academic work. The program does "provisionally" allow undergraduate candidates to begin graduate coursework in the final term of their senior year provided they have met all standard admission requirements except bachelor degree completion.

Section I.b Undergraduate Requirements

Please provide the following information about your teacher preparation program's entry and exit requirements. (§205(a)(1)(C)(i))

Are there initial teacher certification programs at the undergraduate level?

No

If yes, for each element listed below, indicate if it is required for admission into or exit from any of your teacher preparation program(s) at the Undergraduate level.

Section I.c Enrollment

Provide the number of students in the teacher preparation program in the following categories. Note that you must report on the number of students by ethnicity and race separately. Individuals who are non-Hispanic/Latino will be reported in one of the race categories. Also note that individuals can belong to one or more racial groups, so the sum of the members of each racial category may not necessarily add up to the total number of students enrolled.

For the purpose of Title II reporting, an enrolled student is defined as a student who has been admitted to a teacher preparation program, but who has not completed the program during the academic year being reported. An individual who completed the program during the academic year being reported is counted as a program completer and *not* an enrolled student.

[Additional guidance on reporting race and ethnicity data.](#)

Total number of students enrolled in 2015-16:	27
Unduplicated number of males enrolled in 2015-16:	5

Section I.d Supervised Clinical Experience

Provide the following information about supervised clinical experience in 2015-16.

Average number of clock hours of supervised clinical experience required prior to student teaching	122
Average number of clock hours required for student teaching	735
Average number of clock hours required for mentoring/induction support	0
Number of full-time equivalent faculty supervising clinical experience during this academic year	5
Number of adjunct faculty supervising clinical experience during this academic year (IHE and PreK-12 staff)	15
Number of students in supervised clinical experience during this academic year	10

Please provide any additional information about or descriptions of the supervised clinical experiences:

Section I.e Teachers Prepared by Subject Area

Please provide the number of teachers prepared by subject area for academic year 2015-16. For the purposes of this section, number prepared means the number of program completers. "Subject area" refers to the subject area(s) an individual has been prepared to teach. An individual can be counted in more than one subject area; If no individuals were prepared in a particular subject area, please leave that cell blank. (§205(b)(1)(H))

Section II Assurances

Please certify that your institution is in compliance with the following assurances. (§205(a)(1)(A)(iii), §206(b)) Note: Be prepared to provide documentation and evidence for your responses, when requested, to support the following assurances.

Preparation responds to the identified needs of the local educational agencies or States where the program completers are likely to teach, based on past hiring and recruitment trends.

Yes

Preparation is closely linked with the needs of schools and the instructional decisions new teachers face in the classroom.

Yes

Prospective special education teachers are prepared in core academic subjects and to instruct in core academic subjects.

NA

Prospective general education teachers are prepared to provide instruction to students with disabilities.

Yes

Prospective general education teachers are prepared to provide instruction to limited English proficient students.

Yes

Prospective general education teachers are prepared to provide instruction to students from low-income families.

Yes

Prospective teachers are prepared to effectively teach in urban and rural schools, as applicable.

Yes

Describe your institution's most successful strategies in meeting the assurances listed above:

Core academic subject area course work is found in elementary and early childhood programs. Candidates return early for extended practicum in the fall to see how teachers start the school year. The program includes a course in Students with Diverse Needs, a course module in ESOL taught by a TESOL professor, and a course module in Working with Children of Poverty. Professors go with candidates in the field to see, discuss, and reflect upon a wide variety of schools, including urban and rural schools.

Section IV Low-Performing

Provide the following information about the approval or accreditation of your teacher preparation program.

Is your teacher preparation program currently approved or accredited?

Yes

If yes, please specify the organization(s) that approved or accredited your program:

State
SACS

Is your teacher preparation program currently under a designation as "low-performing" by the state (as per section 207(a) of the HEA of 2008)?

No

Section V Use of Technology

Provide the following information about the use of technology in your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare teachers to:

- integrate technology effectively into curricula and instruction
Yes
- use technology effectively to collect data to improve teaching and learning
Yes
- use technology effectively to manage data to improve teaching and learning
Yes
- use technology effectively to analyze data to improve teaching and learning
Yes

Provide a description of the evidence that your program uses to show that it prepares teachers to integrate technology effectively into curricula and instruction, and

to use technology effectively to collect, manage, and analyze data in order to improve teaching and learning for the purpose of increasing student academic achievement. Include a description of the evidence your program uses to show that it prepares teachers to use the principles of universal design for learning, as applicable. Include planning activities and a timeline if any of the four elements listed above are not currently in place.

The program includes modules in technology in several classes, including integrating SMART Boards, ETV streaming video, etc. in lesson planning. Candidates are taught to integrate technology designed to engage learners (e.g., SMART Board, web-based Kahoot, etc.). Candidates implement assessment practices integrating technology for assessing student progress and for planning instruction based upon the assessment findings. Several classes have projects in unit work samples for assessing student needs with the use of MS Excel. One unit in clinical practice requires a student learning project with pre/post-test data analysis for improvement of student learning. In numerous classes and practical training, students are encouraged to provide information in a variety of ways, monitor for student engagement, and maintain high expectations for all students.

Section VI Teacher Training

Provide the following information about your teacher preparation program. Please note that choosing 'yes' indicates that your teacher preparation program would be able to provide evidence upon request.

Does your program prepare general education teachers to:

- **teach students with disabilities effectively**
Yes
- **participate as a member of individualized education program teams**
Yes
- **teach students who are limited English proficient effectively**
Yes

Provide a description of the evidence your program uses to show that it prepares general education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Core academic subject area course work is found in elementary and early childhood programs. The program includes a course on Students with Diverse Needs. Planning is modeled and viewed with an IEP team, candidates participate in a mock IEP team meeting, and candidates participate in the process during student teaching. A course module in ESOL is taught by TESOL professor.

Does your program prepare special education teachers to:

- **teach students with disabilities effectively**
NA
- **participate as a member of individualized education program teams**
NA
- **teach students who are limited English proficient effectively**
NA

Provide a description of the evidence your program uses to show that it prepares special education teachers to teach students with disabilities effectively, including training related to participation as a member of individualized education program teams, as defined in section 614(d)(1)(B) of the *Individuals with Disabilities Education Act*, and to effectively teach students who are limited English proficient. Include planning activities and a timeline if any of the three elements listed above are not currently in place.

Our program does not prepare special education teachers.

Section VII Contextual Information

Please use this space to provide any additional information that describes your teacher preparation program(s). You may also attach information to this report card. The U.S. Department of Education is especially interested in any evaluation plans or interim or final reports that may be available.

CIU has only the elementary and early childhood program.
