Important Note to Auditing Students: CIU limits the number of audits allowed each course. Audits are on a space available basis the first day of class after registration is complete. Auditing students may participate in class discussions and assignments at the discretion of the professor. No academic credit is awarded for audits.

Students enrolling in an undergraduate course must have a high school diploma; students enrolling in graduate level courses must have a bachelor's degree (or higher) from an accredited institution. To receive a CIU transcript students must have official transcripts from the school where they completed their highest level of education sent to:

Please Note: Acceptance for *Summer Studies* does not imply acceptance for other study at Columbia International University. Normal application procedures are required for enrollment in regular semesters.
